# PASSION MODE

*activated*

Want to take to the road in search of new horizons, and take the time for new encounters? Want to go to the country, sea or mountains, but above all you're looking for serenity, an escape and freedom.

More than ever, we need change. We need to be listened to, heard, be understood. We need comfort, reassurance, we need to feel secure.

More than ever, this year, we want to be able to choose. We choose to be demanding, attention to every detail. We choose French expertise and know-how.

More than ever, we want our passions to be our guide, because we've only got one life, we might as well live it intensely.

## BRAND

### DESIGNED IN EUROPE PERFECT FOR THE REST OF THE WORLD

Backed with its experience in motorhomes, AUTOSTAR has started laying out fitted vans in order to offer a premium van: While still remaining affordable, the VAN DESIGN EDITION range offers high-end equipment that provides the comfort of a motorhome: a roomy interior thanks to a lounge with swivel seats, a well-designed kitchen with gracious curves, all in an oak setting, offering lots of storage room to make life easier on the road.

### 24 / 7 ASSISTANCE

AUTOSTAR guarantees 24/7 technical and equipment assistance, free of charge the first year for all models newly registered. This assistance is provided by our experts with an approved network of partners to assist you when you need help, wherever you are. Sometimes, a simple phone call is all that's needed to get the solution you need.

### MORE THAN A CLUB. A FAMILY.

Because an AUTOSTAR represents much more than a conventional motorhome, the AUTOSTAR club has been federating all Autostarists who so desire since 1987. Organised outings, feedback, sharing, conviviality and the pleasure of being together form the foundations of the experience offered by the club. Because being an Autostarist is above all taking pleasure in sharing the desire to be together... with others. And because it's important for you to be able to take advantage of this family spirit, when you purchase a model in the collection, your first year of membership is free of charge. Call +33(0)2 96 79 60 35 for more information or go to [autostar-club.fr](http://autostar-club.fr).

The AUTOSTAR club is affiliated with FFACCC (French federation of motorhome associations and clubs).
