**A CONCENTRATE OF
PASSION**

 **AUTOSTAR**
inspire Passion

AS LONG AS PASSION *has existed*

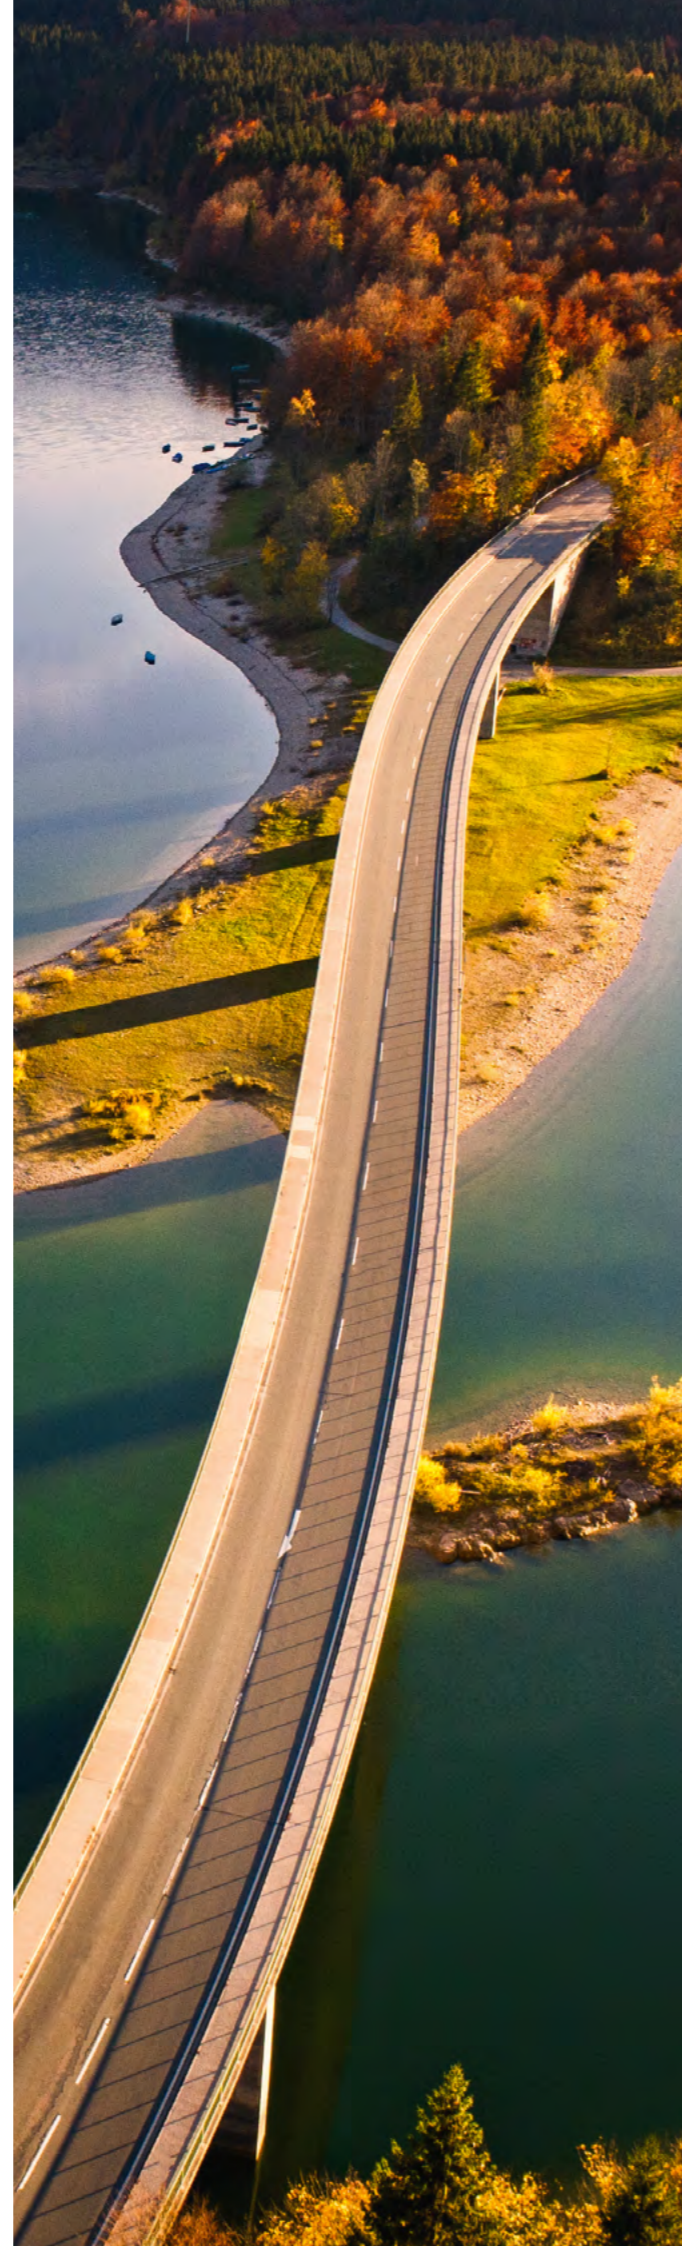

We've been supporting your passions for almost 40 years now.

First of all, the passion for travel; it brings us together, and pushes us to leave, explore, discover... it's what gets life moving and what makes everything possible.

The passion for comfort which shows through in our sumptuous interiors, designed with noble materials where each space is well thought out right down to the smallest detail to adapt to you, perfectly... where every stitch, every curve, and every surface showcases our master craftsmanship.

The passion for freedom thanks to unique designs developed by our teams who keep pushing back the limits of innovation by integrating state-of-the-art technologies offering you autonomy, performance, flexibility and safety, each and every moment of your travels.

For nearly 40 years, we've been doing everything possible so that every moment spent on board is a celebration of travel. So that you can immerse yourself in your passion.

THE BRAND

DESIGNED IN EUROPE PERFECT FOR THE REST OF THE WORLD

Backed with its experience in motorhomes, AUTOSTAR has started laying out fitted vans in order to offer a premium van: While still remaining affordable, the VAN DESIGN EDITION range offers high-end equipment that provides the comfort of a motorhome: a roomy interior thanks to a lounge with swivel seats, a well-designed kitchen with gracious curves, all in an oak setting, offering lots of storage room to make life easier on the road.

ASSISTANCE 24/7

AUTOSTAR guarantees 24/7 technical and equipment assistance, free of charge the first year for all models newly registered. This assistance is provided by our experts with an approved network of partners to assist you when you need help, wherever you are. Sometimes, a simple phone call is all that's needed to get the solution you need.

MORE THAN A CLUB. A FAMILY.

Because an AUTOSTAR represents much more than a conventional motorhome, the AUTOSTAR club has been federating all Autostarists who so desire since 1987. Organised outings, feedback, sharing, conviviality and the pleasure of being together form the foundations of the experience offered by the club. Because being an Autostarist is above all taking pleasure in sharing the desire to be together... with others. And because it's important for you to be able to take advantage of this family spirit, when you purchase a model in the collection, your first year of membership is free of charge. Call +33(0)2 96 79 60 35 for more information or go to autostar-club.fr. The AUTOSTAR club is affiliated with FFACCC (French federation of motorhome associations and clubs).

TECHNOLOGIES

Our most advanced innovations push the standards far ahead in terms of comfort, ergonomics and safety. All of these innovative systems make your Autostar state-of-the-art concentrate in optimisation, where everything can be moved about when and where needed.

CLASSE III
by AUTOSTAR

⊕
You'll be cosy even in the worst conditions.

FROM -23° TO +25° IN JUST 3 HOURS.

The label certifies that your AUTOSTAR has successfully passed the tests conducted in a cold room by an approved body. This open sesame guarantees a minimum inside temperature of 20°C, even when the temperature outside is -15°C.

VENTIL'PLUS
by AUTOSTAR

⊕
Optimised aeration, air that remains healthy, for better comfort every day.

HEALTHY AIR.

An ingenious system, built into the customised furniture, provides ventilation behind the furniture as well as in the front part of the cab seats or through the dashboard. The Ventil'Plus technology increases the feeling of comfort.

SLIM
by AUTOSTAR

⊕
More compactness, more manoeuvrability.

EVERYWHERE, EVEN WHERE YOU ARE NOT EXPECTED.

Easily negotiating, driving and parking is possible with the reduced width.

> The vehicle curb weight (VCW) of vehicles is determined in accordance with current European legislation, includes the weight of the vehicle ready for use with a driver (75 kg), the gas cylinder, a maximum of 20L of clean water authorised on the road and the gas tank 90% full, with a tolerance of + Vehicles 5%.

> Warning: it is the user's responsibility to adapt their load and the number of passengers on board according to the weight of the additional equipment that they have installed or have had installed, up to the limit of the GVW that was chosen at the time of sale. The weight ready for use indicated does not include options and equipment.

> When you are moving with the maximum number of persons authorised on your vehicle registration document, the quantity of water transported cannot exceed the value indicated. To ensure this, a purging valve is available. To find out where it is located, refer to the instructions for use provided with your vehicle.

> On some models, installing a trailer, changing the motorisation, the automatic transmission or choosing a pack can result in the loss of one vehicle registration authorised seat. Information is available from your AUTOSTAR distributor

> The dimensions indicated can vary slightly by +/- 2%. Autostar reserves the right to modify the characteristics and equipment of its products at any time without prior notice, to adapt its production according to economic uncertainties.

> NOTE: The vehicle curb weight (VCW) does not include the equipment, optional accessories and the packs; therefore their weight has to be added to the curb weight indicated up to the limit of the chosen GVW.

> DON'T FORGET! To get the most out of all the capacities that your AUTOSTAR vehicle has to offer (clean water, vehicle registration authorised seats, central heating, trailer, ...) and maximum comfort on board (options, equipment, accessory packs), AUTOSTAR offers you the possibility of increasing the GVW of your future vehicle in any range and model whatsoever. Contact your AUTOSTAR dealer for more information and the conditions.
